| • Fortune Education Services <a href="#">Link</a> | • Personal Portfolio <a href="#">Link</a> • Animation Webpage <a href="#">Link</a> |

## Professional Experience

### Software Developer - I ([Mind Spark Technology](#)) Pune, IN 01/2023 - Present

- Developed and maintained responsive and dynamic user interfaces using React.js, ensuring optimal performance and seamless user experiences across multiple devices.
- Collaborated with designers, product managers, and back-end developers to create high-quality web applications, integrating RESTful APIs and third-party services.
- Utilized React Router for managing navigation and building single-page applications with a focus on maintaining an intuitive user experience .
- Successfully launched several key features that increased user engagement by 20% and boosted the company's customer satisfaction scores .
- Played a pivotal role in reducing page load times by 40% through code optimization and effective use of React's lazy loading and code-splitting techniques .

### Associate Engineer ([Virtusa](#)) Chennai, IN 11/2021 - 12/2022

- Proficient in React.js, with hands-on experience modifying UI components to enhance user experience and meet project requirements.
- Skilled in integrating external APIs seamlessly into React applications to fetch and display dynamic data, improving functionality and interactivity.
- Demonstrated expertise in form handling within React.js applications, ensuring smooth data submission, validation, and error handling for optimal user interaction.
- Developed custom UI components using React.js to create visually appealing and responsive user interfaces, enhancing overall usability and engagement.

### Java Full Stack Intern ( [Hefshine Solutions](#)) Pune, IN 02/2021 - 11/2021

- Developed and maintained full-stack web applications using Java, Spring Boot, and ReactJS, contributing to the enhancement of user experience and functionality.
- Implemented RESTful APIs to facilitate communication between front-end and back-end systems.
- Designed and implemented responsive and user-friendly front-end interfaces using HTML5, CSS3, and ReactJS, adhering to modern design principles and best practices.

## Certifications

- Oracle Certified Associate, Java SE 8 Programmer (ID : 290894635OCAJSE8)

## Education

B.E Computer Engineering ([Government College of Engineering And Research Awasari, Pune](#)) Pune, IN 2020
